

OCEAN CARGO & STORAGE INSURANCE

Goods in transit or in storage are just as susceptible to loss as are those at a place of business, however, it is possible that they are not fully covered under the owner's property policy. As cargo carriers are only responsible for losses caused by their own negligence, it is important to have the right coverage for your goods in the event of a loss in transit.

Target clients

- All marine related activities
 - Exporters
 - Importers
 - Charterers
 - Logistic companies
