# INSURANCE FOR CONTRACTORS IT'S THAT EASY

## Introduction

The construction industry employs 450,000 persons in Ontario. Most of them work in micro companies (1-4 persons). This training will provide you the necessary information to understand their need and support them in all their projects.

## Training course goals

- › Overview of Contractors market
- › Types of contractors, challenges for contractors and the risks of the market
- › Contractors and Insurance: Underwriting characteristics of Contractors
- › Presentation of APRIL Contractor: unique coverage, conditions, quotation examples

## Concerned target

- › Broker
- › Underwriter and underwriting assistant
- › Any other concerned parties wishing to acquire further knowledge of the contractor insurance market

## Training course package

- › 1 hour session
- › Certification = 1 RIBO
- › Free lunch provided

## About Kent Pitkin
